ABOUT THE COLLEGE

Mount Tabor Training College is a Christian minority institution of higher education founded in 1960 by His Grace Mar Thoma Dionysius Metropolitan of the Orthodox Church. His Grace was educated in Oxford University along with Dr. S Radhakrishnan, former President of India. Ever since its inception, Mount Tabor has earned a high reputation of being one of the finest seats of teacher education in the state. Students of all castes, religions, creeds and languages are encouraged to be part of this temple of learning.

The college is affiliated to the University of Kerala and recognized by NCTE. It is under the management of the Society of the Order of Sacred Transfiguration Mount Tabor, which runs a number of educational institutions, orphanages, hospitals and other philanthropic institutions in and outside Kerala. Very Rev. C. O. Joseph Remban, Superior, Mount Tabor Diara, is the present Manager of the college. Dr. Sunny Skariah, M.Sc., M.Ed., Ph.D., PGDHE is the Principal.

Mount Tabor ensures facilities, curriculum and teaching methods which are in tune with the recommendations of the UGC and NCTE, to equip the student teachers to become globally competent and socially committed. MTTC promotes teaching and training through learner initiated activities, interactive lectures, wide range of laboratory , school and social experiences.

The college continuously maintains top position in the University examinations. More than half of the students pass out with distinction every year.
OUR VISION
To transform and transfigure the students to be empowered teachers who engage in teaching as a service and sacrifice to save the learner from the darkness of evil and lead towards the light of wisdom and courage with global consciousness and local connectedness.

OUR MISSION
• To equip the prospective teachers to become engaged citizens who are physically healthy, emotionally intelligent, personally effective, socially responsible, aesthetically sensitive, who have character, commitment and courage with global consciousness and local connectedness.

• To motivate the student teachers to become transformative teachers who demonstrate faith in their thought, wisdom in words, courage in deeds and service as a symbol of their life.

• To mould the self into fully functioning personalities who integrate cognitive and affective talents in the classrooms to make learning a pleasant experience for the learners.

• To extend the teacher education services to the community for the well being of the society.

• To explore the educational scenario to supplement, support and intervene in the educational sphere to make it more effective.
